SERENISSIMA SIGNORA

PErſuadendomi ogni ragione, che V. A. S. originata da quel chiariſſimo Sangue, che per longa ſerie d'anni hà Signoreggiato, e retto con impuntabile prudenza il Ducato d'Vrbino, & hà con teneriſſime viſcere di paterno affetto amato quei popoli, porti per hereditaria propenſione ſcolpita nel ſuo magnanimo cuore la medeſima benevolenza de Sereniſſimi ſuoi Progenitori verſo i nationali di quello Stato; hò preſo ardire, come pur vno di loro, di raſſegnarle la mia humiliſſima deuotione, accompagnata da queſti caratteri muſicali, direi parti, ſe non conoſceſſi, che l'infecondità del mio ingegno non ſà produrre altro, che aborti: ma come ſi ſieno, mentre li vedrò ricouerati ſotto l'ombra corteſe di quella Medicea Quercia, la quale più che mai douitioſa comparte i frutti d'oro delle ſue gratie, li vedrò anco difeſi da fulmini di maligni detrattori in ogni tempo. E qui ſupplicandola à gradire queſta riuerente eſpreſſione del mio oſſequio, tutto proſtrato auguro à V. A. S. la pienezza delle maggiori, e più deſiderate conſolationi.

SERENISSIMA SIGNORA

PErsuadendomi ogni ragione, che V. A. S. originata da quel chiarissimo Sangue, che per longa serie d'anni hà Signoreggiato, e retto con impuntabile prudenza il Ducato d'Vrbino, & hà con teneriss.me viscere di paterno affetto amato quei popoli, porti per hereditaria propensione scolpita nel suo magnanimo cuore la medesima benevolenza de Serenissimi suoi Progenitori verso i nationali di quello Stato; hò preso ardire, come pur vno di loro, di rassegnarle la mia humilissima deuotione, accompagnata da questi caratteri musicali, direi parti, se non conoscessi, che l'infecondità del mio ingegno non sà produrre altro, che aborti: ma come si sieno, mentre li vedrò ricouerati sotto l'ombra cortese di quella Medicea Quercia, la quale più che mai douitiosa comparte i frutti d'oro delle sue gratie, li vedrò anco difesi da fulmini di maligni detrattori in ogni tempo. E qui supplicandola à gradire questa riuerente espressione del mio ossequio, tutto prostrato auguro à V. A. S. la pienezza delle maggiori, e più desiderate consolationi.

SERENISSIMA SIGNORA

PErsuadendomi ogni ragione, che V. A. S. originata da quel chiarissimo Sangue, che per longa serie d'anni hà Signoreggiato, e retto con impuntabile prudenza il Ducato d'Vrbino, & hà con tenerissime viscere di paterno affetto amato quei popoli, porti per hereditaria propensione scolpita nel suo magnanimo cuore la medesima benevolenza de Sereniſſimi suoi Progenitori verso i nationali di quello Stato; hò preso ardire, come pur vno di loro, di rassegnarle la mia humilissima deuotione, accompagnata da questi caratteri musicali, direi parti, se non conoscessi, che l'infecondità del mio ingegno non sà produrre altro, che aborti: ma come si sieno, mentre li vedrò ricouerati sotto l'ombra cortese di quella Medicea Quercia, la quale più che mai douitiosa comparte i frutti d'oro delle sue gratie, li vedrò anco difesi da fulmini di maligni detrattori in ogni tempo. E qui supplicandola à gradire questa riuerente espressione del mio ossequio, tutto prostrato auguro à V. A. S. la pienezza delle maggiori, e più desiderate consolationi.

SERENISSIMA SIGNORA

PErsuadendomi ogni ragione, che V. A. S. originata da quel chiarissimo Sangue, che per longa serie d'anni hà Signoreggiato, e retto con impuntabile prudenza il Ducato d'Vrbino, & hà con teneriſſime viſcere di paterno affetto amato quei popoli, porti per hereditaria propenſione ſcolpita nel ſuo magnanimo cuore la medeſima beneuolenza de Sereniſſimi ſuoi Progenitori verſo i nationali di quello Stato; hò preſo ardire, come pur vno di loro, di raſſegnarle la mia humiliſſima deuotione, accompagnata da queſti caratteri muſicali, direi parti, ſe non conoſceſſi, che l'infecondità del mio ingegno non ſà produrre altro, che aborti: ma come ſi ſieno, mentre li vedrò ricouerati ſotto l'ombra corteſe di quella Medicea Quercia, la quale più che mai douitioſa comparte i frutti d'oro delle ſue gratie, li vedrò anco difeſi da fulmini di maligni detrattori in ogni tempo. E qui ſupplicandola à gradire queſta riuerente eſpreſſione del mio oſſequio, tutto proſtrato auguro à V. A. S. la pienezza delle maggiori, e più deſiderate conſolationi.
